With your help counting bicycles and pedestrians, we can better understand how many people bike or walk in various parts of the region and monitor how those numbers change over time.

These results also help us determine and prioritize appropriate locations for future bicycle and pedestrian safety improvements.

**STEPS TO VOLUNTEER**

1. **ATTEND TRAINING**
   
   New counters MUST attend ONE of our training sessions, which last about 45 minutes. Choose from:
   
   **WEDNESDAY, SEPT. 27, 2 - 3 p.m.**
   Himmel Park Library
   1035 N. Treat Ave., Tucson, AZ
   
   **THURSDAY, OCT. 5, 6 - 7 p.m.**
   Himmel Park Library
   1035 N. Treat Ave., Tucson, AZ

2. **SIGN UP** – [http://gismaps.pagnet.org/BikeCountSignUp/Map.aspx](http://gismaps.pagnet.org/BikeCountSignUp/Map.aspx)
   
   Sign up for volunteer shifts and locations using Pima Association of Governments’ interactive web map.

3. **PERFORM A COUNT**
   
   Perform a count at the particular location and shift(s) you selected in step 2.
   
   **WEEKDAY COUNTS** – Peak activity periods are counted 7 to 9 a.m. and 4 to 6 p.m. on Tuesday, Wednesday or Thursday.
   
   **WEEKEND COUNTS** – Three-hour volunteer shifts are conducted on Saturday or Sunday morning from 7 to 10 a.m. No counts occur on weekend afternoons.

4. **MAIL IN COUNT SHEET**
   
   Send us your count sheets. We’ll provide you with a pre-addressed, pre-stamped envelope at the training. Also you can scan and email your count sheets. Please send completed count sheets or any questions to Sam Sanford at SSanford@PAGregion.com.
   
   Check out previous count data at: [http://gismaps.pagnet.org/bikepeddataexplorer](http://gismaps.pagnet.org/bikepeddataexplorer)

The annual PAG Regional Bicycle and Pedestrian Count is made possible through a partnership with PAG member jurisdictions, the University of Arizona, the Tucson-Pima County Bicycle Advisory Committee and volunteers in the community.
